NZD \$13,900 Charter

## ABILITY GUIDE

Heliskiing is suitable for intermediate to advanced skiers and snowboarders. If you can handle intermediate runs, you can heliski.

**Beginner** - You prefer green runs at your local ski field and have no powder skiing experience.

**Intermediate** - You can comfortably ride blue terrain at your local ski field with little powder skiing experience.

**Advanced** - You can confidently ride black and terrain at your local ski field and have powder skiing/snowboarding experience.

**Expert** - You are a professional skier / snowboarder with extensive mountain experience.

### WHY CHOOSE SOUTHERN LAKES HELISKI?
